**ORDER:**

In the letter 2<sup>nd</sup> read above, the Project Director, Andhra Pradesh State Aids Control Society has informed that, Dr.U.Ramakrishna, Dy. Civil Surgeon is on deputation to Andhra Pradesh State Aids Control Society as State Programme Manager, HIV/TB, are essential in their office and holding additional charge of Consultant, Civil Society Mainstreaming and also submitted that, it is not possible to relieve him in the interest of the Programme and requested that, he is to be continued in the same organization and he was posted on deputation and in which it was mentioned that, he was posted on deputation for a period of one year on his own scale of pay until further orders and with the orders he has joined on 02.01.2008 and completed three years and on completion of three years, he gave a representation for extension, the programme at that time was in a phase of transition on the TB-HIV front with a new activity – offer of HIV testing to all the TB patients, until then only those TB patients with high-risk behavior were offered this test. This is a major change which requires close monitoring across the State, the focus area in HIV-TB currently is provision of Anti Retroviral Therapy to all the TB patients that are also HIV positive. This is a change over from the previous recommendation of ART provision for only those with a CD 4 count of less than 350 cells/cu mm and he also informed that, Dr.U.Rama Krishna, DCS is a candidate who was deputed from the State TB Demonstration & Training Centre; the apex TB Training Institute where he was serving as a senior faculty and has a good rapport with the district TB Officers and other field staff all TB Workers are given on job training before working in the Programme in the Institute and the state is currently doing well in the percentage of TB patients with known HIV status. The need to strengthen the linkage to the ART is still to be firmed up and hence the need of the person at APSACS and he will also be useful for the programme in the stage of transmission from NACP III to NACP IV that is the reason for the need of continuation of the deputation at State Aids Control Society and requested the Government that, Dr.U.Rama Krishna, Dy. Civil Surgeon's deputation from 02.01.2011 to 01.01.2012 be ratified and extended up to 01.01.2013.

2. Government after careful examination hereby ratify the deputation period from 02.01.2011 to 01.01.2012 (4<sup>th</sup> Year) and extend the deputation period from 02.01.2012 to 01.01.2013 of Dr.U.Rama Krishna, Dy. Civil Surgeon presently on deputation at Andhra Pradesh State Aids Control Society in terms of orders issued in the G.O. 1<sup>st</sup> read above.

3. The Director of Public Health & Family Welfare, A.P., Hyderabad and Project Director, Andhra Pradesh State Aids Control Society, Hyderabad is hereby informed that, no further extension of deputation be entertained and he should be relieved from Andhra Pradesh State Aids Control Society after completion of his deputation period i.e., by 01.01.2013 AN without fail.

(P.T.O)
